

## THE POWER OF UNIFIED PASTORS AND WORSHIP LEADERS

*The National Worship Leader Conference 2009*

**John Chisum**

*Although we may be tempted to think otherwise, the relationship between the Sr. Pastor and the Worship Leader is often one of the most challenged relationships in church ministry. Considering human personalities and spiritual warfare, it is critical that these leaders develop and protect unity at all costs.*

Acts 13:1-3

In the church at Antioch there were prophets and teachers: Barnabas, Simeon called Niger, Lucius of Cyrene, Manaen (who had been brought up with Herod the tetrarch) and Saul. While they were worshiping the Lord and fasting, the Holy Spirit said, "Set apart for me Barnabas and Saul for the work to which I have called them." So after they had fasted and prayed, they placed their hands on them and sent them off.

Acts 15:36-40

*Some time later Paul said to Barnabas, "Let us go back and visit the brothers in all the towns where we preached the word of the Lord and see how they are doing." Barnabas wanted to take John, also called Mark, with them, but Paul did not think it wise to take him, because he had deserted them in Pamphylia and had not continued with them in the work. **They had such a sharp disagreement that they parted company.** Barnabas took Mark and sailed for Cyprus, but Paul chose Silas and left, commended by the brothers to the grace of the Lord. He went through Syria and Cilicia, strengthening the churches.*

Aligning a pastor's actual values with the actual values of the worship leader is crucial to long-term ministry success together.

What are your core values? Stated and unstated?
